

## AUTHORITY FIGURES

**Authority figures** are adults who make rules and laws. They make sure rules and laws are followed. They help us to make good choices.

### ESSENTIAL QUESTION

**What are authority figures? What do they do?**

# Authority Figures

## Authority Figures at Home

Adults at home are authority figures. They make the rules. They enforce the rules. Adults can take away a privilege if we break a rule.

## Authority Figures in the Community

Our community has laws. Authority figures make the laws. They enforce the laws if we break them. Police officers are authority figures. The mayor and judges are, too.

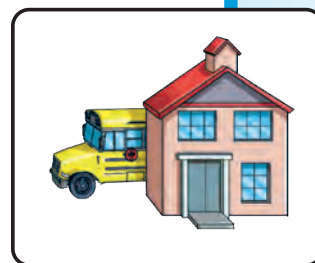

## Authority Figures Are Important

Authority figures are responsible. They show us how to follow rules. They enforce the rules too. We show respect by following their rules.

## Authority Figures at School

There are many authority figures at school. Principals and teachers are authority figures. They make school rules. Librarians are authority figures. They make library rules.

Name \_\_\_\_\_

# Identify the Authority Figures

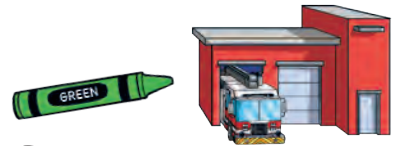

Look at the authority figures. Which ones are found at home? Which ones are found at school? Which ones are found in the community? Use the color key to color each authority figure.
